

# LOVE WORKS TRIP: PRETEEN

# LOVE WORKS

## TRIP DESCRIPTION

For current 4th-6th graders, an opportunity to impact the local community in Tucson, AZ. We will be partnering with GAP Ministries, an organizations that gathers resources to support the needy and marginalized in Tucson. This ministry also works directly with over 100 kids in the foster system. Some of the main projects we will participate in during the trip will be organizing in their warehouse's food pantry and non-food pantry, helping clean and revitalize rooms used for visitations for kids in foster care, hearing stories of life-change through GAP ministries and doing activities with and serving some of the foster kids in their care. Canyon Del Oro Baptist Church in Oro Valley, has graciously offered to house our team during the trip on their church campus.
